Measurements

Dc2tog: [Yo and pull up a loop in next st, yo and draw through 2 loops] twice, yo and draw through all 3 loops on hook.

Dc Rows: Ch 3, dc in each st across row. (Rows widen stripes between bric-a-brac edgings.)

Change Color: When last 2 loops of last dc are on hook, join new color and complete dc with new color.

V-st: (Dc, ch 1, dc) in same st. (Work in sp below top 2 loops & joining bar of dc2tog.)

NOTE: Keep count of stitches used in basic row. After completing any bric-a-brac edge row, count your stitches to be sure you have not added or deleted stitches.

Foundation Row: (Requires 2 + 1, to increase or decrease add or subtract 2 ch in foundation ch.) With A, ch 125, sc in 2^{nd} ch from hook, sc in each ch across. Turn. (124 sc)

Rows 1-6: Dc rows, Turn.

Bric-a-Brac End Color Row: Ch 3, dc2tog across row, ending with dc in last st and change color in this dc. Note: Pull row horizontally so stitches will spread apart.

Bric-a-Brac Begin Color Row: With new color, ch 3, dc in 1st sp, *V-st in next sp between dc2tog sts, repeat * across row to last sp, dc in last sp, dc in last dc.

Note: Work in sp below top 2 loops + cross bar of dc2tog st.

Continue working Dc Rows with new color until stripe is desired width. End with Bric-a-Brac End Color Row and change to new color. Follow Color Chart for number of rows. Last color row is a Bric-a-Brac End Color Row and each new color begins with a Bric-a-Brac Begin Color Row. **Exception: a series of Two-Row Stripes.**

Series of Two-Row Stripes:

Row 1: In new color repeat **Bric-a-Brac Begin Color Row**.

Row 2: **Alternate Bric-a-Brace End Color Row:** Ch3, dc in next dc, dc2tog across row, dc in last 2 dc, changing color in last dc. (Dc2tog is worked over previous row's V-sts.)

Row 3: **Alternate Bric-a-Brac Begin Color Row:** Ch 3, sk 1st sp, *V-st in next sp between dc2tog sts; repeat * across to last sp, sk last sp, dc in last dc.

Row 4: End with Bric-a-Brac End Color Row and change color.

Repeat Rows 1-4 as many times as you wish for your series of 2-row stripes. Always end with Row 4 so you can switch back to wider stripes (per pattern above) if you choose.
