Thread	

Work under top 2 ladders of yarn edge.

Open mesh as you work.

Add additional ball by overlapping last 3 spaces of previous ball with first 3 spaces of new ball and work as one.

Insert hook from front to back under top 2 ladders of yarn's beginning. In next space, insert hook from back to front adding loop on hook. In next space, insert hook from front to back, yo, pull this loop through 2 loops on hook. Yarn is on hook and ready to work.

Row 1: [In next space, insert hook from back to front adding loop on hook, in next space, insert hook from front to back, yo, pull through 2 loops on hook] 6 times. (6 sc made)

In next space, insert hook from front to back, yo and pull through loop on hook. (Ch 1 made.) Turn.

Row 2: *In next space, insert hook from front to back. (2 loops on hook)

Insert hook under top 2 loops of previous row's stitch.

In next space insert hook from front to back, yo and pull through top 2 loops of previous row's stitch. (3 loops on hook)

[In next space insert hook from front to back, yo and pull through 2 loops on hook] twice.* (Dc made.)

Repeat Row 2 until yarn is completely worked, making sure each row has 6 dc. Pull remaining yarn tail through last loop to close. With needle and the end of the tail, backstitch the first 6 loops to tail.

Note: When taking a break, make sure to secure loose. If not, the loose can pull out and you will lose some of your work.
